

HCL granted license to use ISI mark on Continuous Cast Copper Rod

Kolkata, 18.04.2024

HCL is honoured to convey that Bureau of Indian Standards (BIS) has granted license (No: CM/L 7800116010) to use ISI mark in its Continuous Cast Copper Rod produced at its TCP Unit, Taloja, under IS:12444:2020 standard for Copper Wire Rods for Electrical Applications with effect from 17.04.2024. This initiative of HCL will comply with the Quality Control Order of Department for Promotion of Industry and Internal Trade (DPIIT) for Copper products issued in October 2023.
