

## **Action Taken Report**

In response to a directive from the Ministry of Mines, GoI regarding launching of a cleanliness drive during the fortnight 23-31 May 2016 to commemorate the second anniversary of the Government at the centre, Hindustan Copper Limited (HCL)-Malanjkhand Copper Project (MCP) has organized special programs on maintaining cleanliness in the last week of May 2016.

Under these programs all the departments and cells of HCL-MCP were instructed to take up cleanliness activities on a priority basis. The onus of ensuring cleanliness by monitoring of these activities was rested upon the departmental heads. Apart from this, a team consisting of AGM (Vigilance), Chief Manager (HR & A), Dy. Manager (HR) and Dy. Manager (CSR)/ Nodal Officer facilitated special events of cleaning of the MCP Hospital, Township, Market complex, Guest House and Canteen during the last week of May 2016. The team guided the personnel responsible for cleanliness of respective areas/complexes on how to maintain sustainability of these efforts by encouraging participation of all the stakeholders.
